CALIFORNIA HILL
— UNIVERSITY —

WHY CHOOSE CALIFORNIA HILL UNIVERSITY?

California Hill University is the learning solution for today's fast-paced life. It is a university, devised to meet the lifestyle of working professionals. Middle-aged people, struggling for a fruitful career often find it hard to attend universities for higher education. CHU has designed its academic structure to facilitate such people because a degree is the most essential booster in your career. The higher the level of your academic qualifications, the greater is the leverage your experience gets you.

California Hill University provides its students accredited online degree and certificate programs in 16 professional divisions for their professional excellence. These programs are responsive to the industry trends and designed with the aim of fitting into your busy schedules.

MESSAGE FROM THE FOUNDER

WELCOME MESSAGE FROM THE CHANCELLOR

"I am pleased that you are considering applying to California Hill University for your academic qualification. This is a truly extraordinary place, with expertise and support that can help you achieve your professional goals. Our 180,000 plus alumni support our present excellence and future aspirations. We have magnified the power of higher education to meet the emerging needs of the middle class. We are embracing the urban strength instead of stagnating ourselves. We are proud to achieve our mission of being a university that is in and of the world'.

Over the years, CHU has been home to talented scholars, artists, writers and others who have been drawn from all over the world to teach, perform, create, and study. We have achieved international recognition in a wide range of areas thanks to our academic staff. As a student here, you will get the opportunity of working with members of academic staff who are leaders in their fields. They are dedicated to seeing you achieve your goals and will help you develop a better understanding of the knowledge you can apply.

Welcome to California Hill University."
Professor Gray Andrew

mission

"At California Hill University we aim to contribute to the society through our expedition of education, knowledge and learning at standards of academic excellence. We aim to inspire learning and professional practice in our students."

Connect With Us

OUR SUCCESSFUL ALUMNI

California Hill University is well-known for creating extra-ordinary students. Our alumni are leaders, innovators, influencers and innovators today, in various fields, making an impact across the world.

You become a member of the inspiring network, of 180,000+ alumni, upon your graduation. CHU is a goldmine of aptitude and experience that can bring the students numerous professional and social repayments all through their lives.

Alumni of the Month:

ANDY S MARION - Entrepreneur

An Ohio-based female was in a home-based food delivery service to individuals in the vicinity. After completing her undergrad from CHU she wanted to do something big, in terms of impact. She expanded her business from 5 employees to 35, creating 30 more jobs and launched her very own storable, packaged food line to go from B2C to B2B. Andy applied her academic learning to her current business. She has set an example for all stay at home moms that nothing can stop you from achieving your dreams if you know where to start from. "gcu certainly provided me with a solid base to fuel my passion and the solid foundation built there has proven invaluable. I will never stop driving for creativity and innovation" - Andy

A step forward

At CHU you have many opportunities to get in touch with our alumni. Our alumni often come again to share their success stories with our aspiring students to give them an account of life after CHU. They experience can come from a range of professions, including the environment, management, public administration and law. They act as mentors for our students and their networking sessions help gain an insight into their different careers. It is an option for students to get practical and latest advice on enhancing their own career prospects. You can get in touch with our alumni via our social network as well as special guest speaker sessions held online.
